# This Is The Year That Was

The year 1966-67 was quite a year.

For the student....

The year of the fastback car....the year of the miniskirt....the year of the backless dress....the year of the topless dancer....the year of the "mod" look....the year that teachers rode motorcycles to school....the year that the hair on the boys was longer than the hair on the girls....the year of student protest.

For the class of 1967....

The year that a senior lawn was established, setting a tradition for Orange Glen....the year which marked the end of a four year adventure which saw our school grow from a cluster of sorted buildings to one of the best units of secondary education in San Diego County....the beginning of a new life for graduating seniors....

And for the rest of the nation....

The year that 3000 American boys died in a far away land for a cause in which they believed....the year bacon cost a dollar a pound....a new car's average cost was \$3000....the year of racial unrest in America....the governor of California was Ronald Reagan....the world land speed record was 604.2 miles per hour, held by Art Arfons.

*See, we've come a long way since St. Mary's and we're going to go a long way to go. I got a think you're done a great job in Cal. Good luck in the future. See ya around Mary Glen -65-*

# Dedication

Mr. John Damelio: drama club director; speech club adviser; teacher of speech, drama, and yearbook; husband and father is a man to be admired.

Mr. Damelio has been the tireless 'Jack of all trades' at Orange Glen since its inception in 1962. In that year, he taught freshman English and speech. Since then, he has taken on yearbook, drama, and advanced speech.

*Mr. John L. Damelio*

*"Mr. D" helps a troubled senior.*

Since that first year, "Mr. D." as he is affectionately known, has encouraged the debate and speech program for Patriot speakers, and directed the many dramatic productions which occurred this year, as he has the ones of previous years.

This man of tireless energy, this campus leader, does not know that we have dedicated this book to him.

Without Mr. John Damelio this yearbook, its predecessors, the drama club, and many, many honors for OG would not have been possible.

We thank you, Mr. John Damelio.

# A.S.B. OFFICERS

Before a student government can have any degree of success, it must have definite purposes for existing, and its members, the student body, must be aware of what these purposes are. These purposes or goals should be guidelines for selecting activities and projects and serve as the measuring stick for evaluation and improvement. The successful student government has good goals, is aware of them, and strives to reach them.

It means speeches, rallies, political campaigns, entertainment, athletics, and food, such as it was. Boys' and Girls' State are models of society designed to illustrate the practical side of modern political theory.

Each year Orange Glen sends a student abroad for the summer. In return we are privileged to have a foreign student spend a school year with us. During the year the A.F.S. sponsors many activities. This past year they sponsored such functions as a Christmas program, an international dinner, a polka party, a fashion show and a concert. There is no better way for students of the world to meet each other than through the American Field Service.

Mistletoe sales, a benefit car wash, a Valentine dance, and a rummage sale highlighted the events of Orange Glen's Key Club. The Key Club, sponsored by the Kiwanis is a club which is composed of selected students. These students are selected by the members themselves. Other Key Club activities were the planting of shrubs in front of the school, and the attendance of the officers to Asilomar District Convention to receive a trophy for "Key Club of the Year."

*TORCH staff forms its annual pyramid.*

*Editors go over last years book.*

*TORCH staff feverishly works to meet a deadline.*

First period, the yearbook room was, perhaps, the busiest room in school. Copy was written and rewritten; layouts were made, discarded, and remade; deadlines were barely met; and finally the finished product. The 1967 Torch can boast 200 memory packed pages, including eight in full color. THIS IS THE YEAR THAT WAS, this year's theme, has united the TORCH into the best yearbook ever published at Orange Glen.

*"That'll teach you to miss deadlines," rages Mr. D'Amelio to a cowardly Mickey Lee.*

*The last deadline has finally been met.*

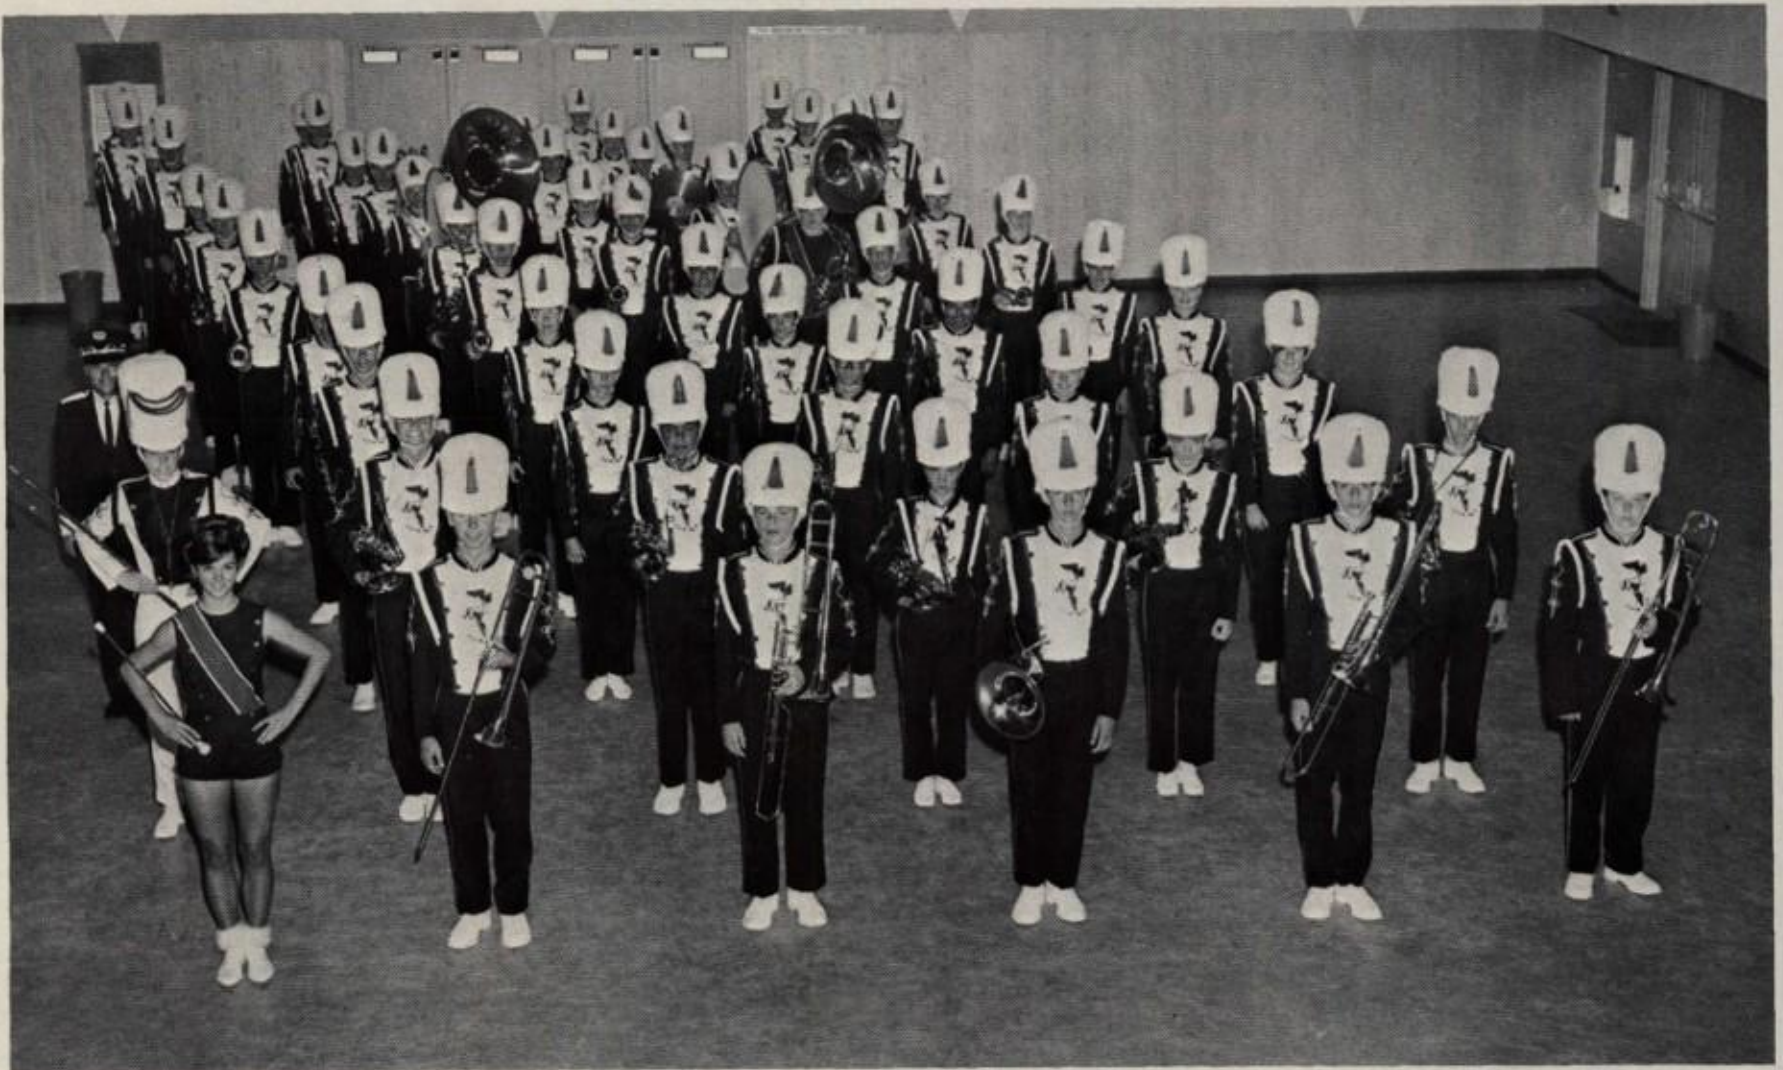

*Director, Mr. Harrison*

Orange Glen can boast of having one of the finest bands in Southern Calif., according to director Mr. Dan Harrison.

The young Patriot band, resplendent in their newly acquired uniforms was a familiar sight at many invitational and band reviews throughout the past year.

# Seniors

The High School career of over 320 Orange Glen Patriots has finally come to an end. Gone are the carefree days full of fun-filled experiences, test cramming, first loves, proms, and ever studious classes. The long road to graduation full of triumphs, failures, tears and joys, is now branching out to many different roads all leading the new experiences. The ideas which have become our own through self discovery, study, and our relationships with others, have set a signpost for the years ahead. The high school years are not an ending but a beginning, a challenge to the future, a time to ... "follow every rainbow till you find your dream."

Climb every Mountain

Search high and low,

Follow every byway

Every path you know.

Climb every Mountain

Ford every stream,

Follow every rainbow

Till you find your dream.

A dream that will need

All the love you can give--

Everyday of your life--

For as long as you live.

Climb every Mountain

Ford every stream,

Follow every rainbow

Till you find your dream.....

#### SUPERINTENDENT'S MESSAGE

Dear Students,

It hardly seems possible that another school year has passed and with it also passes another group of seniors into the channel of adult society.

We have all experienced periods in our lives when time seemed to stand still. The school year to the six-year old seems an eternity; his summer vacation almost endless and the long months between birthdays and Christmas unbelievable. Even teenagers experience this feeling of time passing slowly as they await birthday number sixteen and a driver's license or graduation day from high school.

However, in a few short years the pattern changes rather abruptly as we assume the duties and responsibilities of adult citizens and time suddenly commences to accelerate rapidly. How we use the precious commodity of time becomes a basic ingredient of success. Use your time wisely--no one can replace it.

Regards to the Patriots of Orange Glen High School.

G. W. Quade

SCHOOL BOARD---LEFT TO RIGHT: Colley Jeffer, William M. Kennedy, Chester E. Galyean, Ward C. Sangren, Wilber F. Bradley.

*Mr. Patrick V. Ross  
Principal*

In retrospect, this past year has been one of educational excellence and progress at Orange Glen.

As a new member of the staff, my observations are necessarily those of comparison to other schools in which I have worked. In general, I would rank Orange Glen as one of the finest schools in California.

One of the most gratifying characteristics of Orange Glen is the student's sense of responsibility toward themselves and the school. There seems to be an underlying feeling of pride in the observance of the daily schedule without a necessity for use of bells, the appearance of the campus and a solid feeling of school traditions.

If I were required to list the important aspects of maturity, I'm certain that "responsibility of decisions" would rank foremost. When an individual reaches that stage of cognizance, then and only then, can reasoning and learning begin to occur. Such responsibility is evidenced by the actions of the perceptive A.S.B. leaders as well as by the overwhelming majority of students at Orange Glen.

The credit for a happy campus life can best be attributed to the sensitive interaction and understanding of ideas by an outstanding faculty and student body. It is in this atmosphere that learning and growth can best be achieved. Orange Glen has such an atmosphere.

I am proud to be a part of Orange Glen and congratulate you, the students, who have had the lion's share in making this school what it is... proud and great.

This is the year in which you will be called upon to exercise a variety of judgments, not as secondary school adolescents but rather as young members of the adult society which you will join upon high school graduation.

This is the year when some graduates think they have discovered a new "freedom." For some of you, graduation implies, at least temporarily, the termination of an ordered plan for your personal development. I submit, however, that June 14 is only the beginning of a much more exciting stage in your development, one which you have been looking forward to the past twelve years. At times the road was difficult and perhaps every experience was not a pleasant one, but I feel sure that each has had some personal meaning for you.

I know that the majority of the graduates of the class of 1967 recognize the above-mentioned "freedom" as a responsibility to personally direct the orderly development of self. I am sure that the members of this class will capably assume their role in this dynamic society.

On behalf of the staff, I offer sincere congratulations and best wishes to all of you.

Orange Glen High School, as a part of the Escondido Union High School District, is continuously striving to improve the quality of its educational program, in an effort to prepare its students to effectively cope with the complex problems of living in the leading country of the world.

Not only will there be additional facilities and equipment, there will be increased competency of staff, new and up-to-date content of course offerings, and greater opportunities for individual development, both physical and mental.

It appears at this writing that students will soon be able to profit from Instructional Television programs being broadcast from San Diego State College over KEBS Channel 15. This will bring into the classroom high quality programs for enriching or supplementing the present program.

A number of students will have opportunities for on-the-job training through distributive education work-experience and cadet teaching programs starting with the 1967-68 school year.

Many students will continue to have opportunities to participate in the M.A.L. program, career conferences, receive vocational counseling, and become involved in other activities designed to interest and challenge the students of Orange Glen High School in preparing for full, active citizenship in tomorrow's world.

Robert Vil

#### IN MEMORIAM

On Washington's birthday, February 22, 1967, traffic claimed a member of Orange Glen's student body - Robert Vil. Bob, a native of Thailand, was a transfer student.

Those who knew him enjoyed his sense of humor. He was frequently found at the beach appreciating its natural beauty. Unafraid and steady in purpose, he faced the world.

He will be missed and remembered by those who knew him and loved him.

"Quietly they go, the intelligent, the witty, the brave.  
I know. But I do not approve. And I am not resigned."

# Nominee Wins

The year 1967 held many new and interesting things for the students of Orange Glen. The newest trend was the selection of a Yearbook Queen. The Sophomore Council was responsible for the dance that was held February 27th to select her. All the clubs on campus were asked to sponsor a nominee to compete for the title. The requirements that had to be met by the girls were:

*Steve Kane, president of the Sophomore Council, presents Kathy Sedlacek with a \$25 savings bond.*

*Margy Miller, Literary Club; Georgeann Larson, Russian Club; Barbi Simon, Pep Club; JoAnn Simon, Latin Club; Debbie Nichols, Key Club; Blandy Strupler, American Field Service; and Kay Thornley, Deltons.*

1) at least a "C" average; 2) 80 merits or more; and 3) a written composition entitled, "The Role of The Teenager In The Changing World of Today"; and 4) a three minute interview with judges. The candidate chosen by the judges was presented with gifts donated by Streichers, Sound Town, Stan's Drugs, Golden Gate Fabrics, and was given a \$25 savings bond.

See

Varsity Football was a year of few wins, many losses, but great football. The Orange Glen Patriots took to the field on September 23, 1966, and left the field that night with an outstanding win over Coronado, 27 to 6. A week later the Patriots returned to the field and demolished Army-Navy 49 to 0. By this time the team had picked up spirit and steam, and Orange Glen was looking forward to some great football this season. To some surprise, the Patriots dropped the rival game against Poway 13 to 7. The next game the Pat's burned a hole in the earth when they tromped on to the field ready to smash Vista. The Pat's scored early in the game, but Vista soon caught up and the game finished as a deadlock. In the last few seconds, the big, powerful tackle, Rory Reeves ran a tackle eligible play. Receiving the pass, he ran for more than forty yards and a near touchdown, only to be shoe-string tackled at the fifteen yard line of Vista. As the final gun sounded, the Pat's tied 6 to 6. The following game a group of fired up players rode the bus to Carlsbad, to show one of the most outstanding performances of the entire season. The score 27 to 26 in favor of Carlsbad. This game made people around the county remark that it was one of the best ever viewed. Orange Glen played an outstanding game only to lose in the last few seconds. Oceanside hosted the Patriots next, with another superior performance by the Pat's. The score didn't tell the story as the Patriots lost 20 to 14. Homecoming the following week threw the Patriots to a 37 to 7 loss, at the hands of University. Fallbrook took on the Pat's next in a hardly fought game only to come to a 6 to 0 loss for Orange Glen. The last game of the season showed a mighty battle which threw the Pat's to a 13 to 12 loss over San Dieguito. All and all the Orange Glen Patriots played good, hard football only showing a proud past and a very bright future.

## GRID FUTURE LOOKS BRIGHT

Combine exceptional talent with superior coaching and the result will ultimately be a winning team. This was the case with this year's Junior Varsity football team. With personable Coaches Tom Bice and Allan Klinger at the helm, the young patriots combined efforts to extend their two year won-lost record to a fine 14-2-1. While only finishing second in their league, their outstanding performances in the Poway and San Dieguito games revealed their potential as a Championship Team.

To single out a single player for his performances would be a difficult task for it was a team effort which made this a winning team. The young Pats posed many problems for opposing defenses with the use of a balanced offensive attack. To spearhead their offensive attack, the young Pats relied on the running of halfbacks Mick Lee and Al Sanchez as well as fullback Ron Heredia and quarterback Jim Moyer. To complement this solid running game was the passing combination of Jim Moyer to Mickey Ferrick with an occasional pass aimed for one of his backs.

The foundation of this year's J.V. football team was its stout defense led consistently by Walt Mack, Don Henry, John Kylie and David Lawson. These four players along with seven more formed a defensive unit which held its opponents to less than a 6.6 points per game average.

# NO. 1

After five long years of hard practicing and building for stronger teams, Orange Glen High School has reached a major milestone in the field of athletics. This season, a group of twelve dedicated athletes under the leadership of their devoted coach brought home Orange Glen's first league championship on the varsity level. The coach is Bill Wetzell and the twelve athletes comprised the 1966-'67 Patriot Basketball Team.

Poise, confidence in their own ability, and a never-say-die attitude, were probably the most influential characteristics of the Patriot Cagers as they moulded the second best won-lost record in San Diego County; 25 wins and 3 losses. The Pats' non-league record was unbelievably impressive. After winning four out of their first five games, including powerful Mar Vista, El Cajon, and Laguna Beach, Orange Glen entered the Fallbrook Basketball Tournament and powered their way through Perris, Laguna Beach and San Clemente high schools to capture the first place trophy. Individual performances were also rewarded as captain John Guerrieri and center Lance Edwards landed berths on the All-Tournament Team.

The next challenge for the Pats was the El Centro Tourney. This being their first appearance in the tournament, OG's cagers were unknown and were not expected to finish very high in the final standings. However, the determined Patriots overcame their ratings, defeating Western League power La Jolla, Eastern League favorite Morse, defending tourney champions Yuma, and the tall, sharpshooting home team of El Centro to proudly receive the first place trophy. Lance Edwards received top honors for the Pats on the all-tournament team.

The Pats were now ready for the Avocado League. Possibilities of winning the league championship looked dim considering the powers of University and defending champion Oceanside high schools looming in their path. However, they charged into the first round of games with confidence, losing only to Oceanside High. Orange Glen was now tied with Oceanside as league leader and their scheduled meeting in the second round would probably produce the champion. When the two rivals met in the Patriot gym with 1,327 screaming fans, history was made, as Orange Glen's cagers scored the first varsity victory over Oceanside in a major sport, 62-51. Three wins later the league championship was ours. Besides the honor of becoming league champions, Orange Glen was also honored by the efforts of 6'6" Lance Edwards as he was voted "Player of the Year" by Avocado League coaches. Other honors were gained by John Guerrieri, and Mike Gillett who were voted to the second "All-League" team, and by Don Chaffin and Jim Hinrichs who were given "Honorable Mention."

Orange Glen's first ever CIF Playoff game was played in the Patriot gym to a sell-out crowd. The Pats hosted Morse High School in a contest that proved to be the most exciting of the season. Three or four points were all that ever separated the two teams and only by a last minute stall were the Pats able to cinch the victory, 56-54. Western League champion Madison High was the next CIF game for Orange Glen and proved to be their third loss and last game of the season. The final score was a depressing 80-53 but it ended the proudest season Orange Glen High has ever had in the field of competitive athletics.

Several cagers had an extremely successful season this season including senior Lance Edwards, the teams "Most Improved Player" who set the season scoring record with 345 points and rebounding record with 219 rebounds, Senior "Backcourt General" John Guerrieri contributed stability with 12.1 points per game and excellent defense. Junior Mike Gillett's consistent scoring helped the Pats at every turn as did the rebounding and shooting ability of center Don Chaffin and forwards Gene Chaffin and Jim Hinrichs.

Although in the shadow of the varsity this year, the Junior Varsity Cagers moulded a great record of 13 wins and 8 losses. Included in this record was the first place trophy from the Oceanside J.V. Tournament by overcoming Escondido 53 to 48 in a thrilling contest. Also, the young Pats achieved 4th place in the Avocado League; the highest league standings in J.V. cage history. Coach Frank Dixon had a talented group to work with this year. Junior Paul Moyneur was probably the most consistent rebounder and scorer on the team with good support from Sophomore Walt Mack and guard Scott Young who contributed with their sharp shooting. Rounding out the first string was Sophomore John Kiley and Junior Larry Hage. Next year's varsity should be in pretty good shape.

ROW 1: B. Mack, R. Crouch, C. Moyneur, L. Scott, R. Holladay. ROW 2: S. Ramariz, R. Gerken, J. Matlock, M. Ostringer, G. Harmon, S. Young, D. Stacy. ROW 3: Coach Clinger, T. Morris (Mgr.), S. Philips, T. Trogden, R. Shaw, M. Rickenbaugh, S. Hagan, J. Rowe (Mgr.).

## Freshmen

Undoubtedly the tallest freshman team in the history of Orange Glen Basketball was assembled this year under the leadership of Coach Clinger. At times during the game, the Pat's opposition would be facing 6'2" Chris Moyneur, 6'3" Rick Holladay, 6'5" Randy Shaw, and 6'7" Tom Trogden. However, valuable speed and shooting ability were provided by Ronnie Crouch, Brian Mack, and Larry Scott. This being his first experience in the field of basketball coaching, Coach Clinger can be proud of a fine season and an admirable devotion for the team.

Mickey Ferrick while in the process of building a 18-2 won-lost record, also gained the distinction of being the best wrestler in the Avocado league at 123 pounds. Going into the C.I.F. preliminaries, Mickey had retained an unbeaten record. After meeting his match in the C.I.F. tournament, Mickey still retained the distinction of being Avocado League Champ.

## **VARSITY BASEBALL**

Orange Glen's outstanding Varsity team, under the guiding strategy of Coach Bice, opened it's season with a winner; Army-Navy 5, O.G. 9, aided by a three-run homer by Mickey Ferrick and with Dick Huff going 4 for 4. Coronado was the Pats next victim, being defeated by a 9 to 1 score. Once again, it was O.G. vs. Army-Navy, and this one wasn't easy. A base hit in the last inning of play by Doug Blake brought Dick Huff in for a 1 to 0 victory. This game proved the virility of one of O.G.'s finest pitchers, Nick Arcuri, as he went the distance - 9 innings. The next win for O.G. was Elsinore, and the Pats showed excellent scoring power by scoring 11 runs in one inning, adding to the final score of 13-2. League play began, and O.G. still hadn't lost. First in line was Vista, and the Pats won an easy 4 to 0 on the arm of senior Ernie Olivas. Next was Carlsbad and the Patriots won 4 to 3 in eight innings on a sacrifice fly by Darrell Waters. At printing time, the Pats stand undefeated with a 2-0 league record. Good luck to the future Avo league champs, or so the Torch staff hopes.

This year's Junior Varsity team has had it's share of bad breaks, losing all five games played so far. Losing to Vista 1 to 0 in a heartbreaking defeat, the Pats have shown great spirit. In the near future, with outstanding junior Pats like Dave Lawson on the mound and Walt Mack and teammates with their excellent hitting power, this team will not stay down long.

## FROSH BASEBALL

The Freshman Baseball team started the season on a winning note by beating San Marcos 4 to 0, with the whole team playing a great game. Next, was Escondido. The Orange Glen Frosh went down to a 4 to 1 defeat. Since then, they have been plagued by errors, losing to Earl Warren 3 to 0 and to San Marcos 5 to 1. So far, the only bright spots are Dave Stacy on the mound, and Brian Mack behind the plate. At the time of this printing, the team record is 1 win and 3 losses. Due to the team's great determination, O.G.'s frosh never quits and is constantly trying both on and off the field to be the best in our frosh baseball history.

This year's tennis team under the coaching of David Drielsma underwent a "rebuilding" season. Although only expected to finish fifth in league play, the talent of the Pat netmen was very impressive. Sophomore Jerry Sankey, one of the top players in the league showed fine form in the beginning of the season and will probably fare very well this season. Another "Younger" prospect is Bill Dodin a freshman who held the position of one of the top, if not the top freshman player in the Avocado League. In the Doubles department, Jim Hinrichs and Bill Sale gained a large percentage of the teams total points, along with Glen Combs and Kevin Perdy. Prospects for next year look very bright for the tennis team as only two seniors are leaving and extra personnel who were not able to make this season will join the team next year.

## TRACK

The Orange Glen track team is one of the best in our school history. Head Coach Turner and coaches Burket and Disney and team proved they are a team able to compete with any team in the league. At the present time the team record is 1 and 1 in league play beating Poway 72-17 and losing to Vista 57-56. During the Easter vacation the Pats placed second in a field of twelve to bring home a trophy from Palm Springs. So far outstanding times have been done by Leonard Thompson in the High Hurdles in 14.7 and Mike Quirk 15.3, Quirk has also gone 12 feet in the Pole Vault. In the field events, Jim Rehkorf and Doug Sherman have both cleared 6 feet. With Jerry Fenton and Mike Hollins putting the shot 48 feet. Also Hank Armstrong has done 20 feet 3 1/2 inches in the long jump. These outstanding individuals along with the other members of the team give Orange Glen a team to be proud of.

# THE WHELAN **SWIMMING** TEAM

The 1967 Orange Glen swimming team has gallantly displayed a successful season in the Avocado League thus far. Under the leadership of Coach Lowell Rutledge, and outstanding swimmer Newton Williamson our team has been led to impressive wins over Castle Park 80-52, El Cajon 85-47, and Fallbrook 50-45. The team performance has been superb and their determination should lead them to a successful climax of a rewarding season.

Under the reins of Coach Bill Wetzell this years 1967 Golf Team followed the tradition of Orange Glen's previous varsity teams. Paced thus far through the season by Junior Peter Peck, and Senior Ray Nicol the team has performed above par. Since the team consists mostly of underclassmen, except for 3 seniors, great things are expected in the future.

# EPILOGUE

1967 was a very good year for the Patriots of Orange Glen High School. This space need not be devoted to a lengthy list of these many accomplishments. This is the reason for Torch '67.

We of the Torch staff would like to thank Mr. Craig Fischel of Craig photography for his valuable time and assistance. Also our

deep gratitude goes to Mr. Pat Ross, Mr. Dave Larson, Mr. Dave Parker, and the many office staff for their aid and patience.

The four years prior to 1966-67 were years filled with great promises - the promise of a league championship, a senior lawn, senior parking lot, and the promise of an ever increasing student body.

1967 was, however, the year that these promises were fulfilled.

Sue,  
little

Sue,  
 My little friend.  
 It was a lot of fun working  
 for the "big four" - this convention.  
 It was a lot of work, but we had a lot  
 of fun too. I sure hope my hair lip didn't  
 bother you too much in la classe de Mexican.  
 I sure hope we get some boss classes next year.  
 Be good, and have fun this summer.  
 Love ya alot  
 Jim Moyer  
 How come you little

[illegible]

Sue,  
You're the greatest!  
We've had some funny times  
haven't we. Like last Friday night  
when we laughed ourselves sick!  
I'm sorry now that we didn't go to the Delton  
party. From what I understand we missed a lot!!  
Be good always. Have fun this summer! I'm sure I'll  
see you.

Love ya,  
Candy

P.S. I forgot to say "You're an absolute nut!!"

Sue,  
It was fun wrecking your  
posters. Sorry about that. Hope  
you'll have fun secretarian and  
I wish you nothing but the best  
in carrying out your job. Have a  
big blast this summer and I'll  
see ya next year.

Doug Blake

Sue,  
It's been a blast in  
History. Even with all the  
there. It's hard telling how much  
we learned. All I can remember  
is all the jokes(?) I had to  
summer

Love,  
Doug

Sue,  
Your personality  
illuminates every  
class. Your a hard, are  
loyal work and you are  
most deserving of the ASB  
Secretary office. I'm glad  
we are friends. Have a  
wonderful summer and  
see you next fall.  
Your friend,  
Kay J.

Sue,  
Well, Shorty I see ya  
made it. Be sure and  
straightened out the Student  
Government next year. The  
Cabinet needs at least one  
girl. I'll forgive ya for  
never typing that Constitution  
up. Anyway, Have fun  
next year

Peter W. Brady

Sue,  
It is nice to know such a  
sweet and hard-working person  
as you. You are a great asset to  
the ASB office and especially  
this school. With all your  
incentive Orange Glen will  
really "go places" next year with  
you as Secretary.  
Keep up the good work and  
may your life be a succession  
of many happy successes.

Alexis

Sueann,

Well, it's been a long year in a lot of ways and a very short year in that our friendships have grown and now it seems that it's over. Well it might be as far as school goes for me, high school that is and my bay day at O. G. is over (sniffle), but, but, but, this last year is my most memorable and will remain so for a long time. I owe it to you and the rest of the people who worked so hard and so uncomplainingly. One thing about you I can't understand. Why is it that a person with so much energy and ambition has seemingly never anything to complain about, especially when you had so much work to do and the biggest teaser, chider, make-fun of people, in the entire school, constantly picking on you. But you know something I'm not the least bit sorry I teased you, in fact I had so much fun teasing you that I'll come back next year and tease you some more. Or for Doug, if he gives you a bad time, hit him in the stomach like you did me. You ~~that~~ <sup>hope!</sup> know my stomach has an inferiority complex and has taken out an insurance policy because it's afraid it'll die from "fist in tummy." Terrible isn't it? Sue, keep up your enthusiasm and you will succeed in everything you do. Since you're rushing me I'll say good by, good luck, and see you this summer. By the way, how much do you ~~can~~ weigh? You never told me (TEE-HEE!)

Larry  
JK,

Sue,  
 Can't think,  
 Brain dumb,  
 Inspiration won't come,  
 Broken lead, bum pen,  
 Best wishes,  
 Amen!

I've enjoyed our friendship  
 so much - let's keep it  
 always, deal? Love ya,  
 Katy

SUE -  
 It's really been  
 fun this year!! I  
 didn't have any classes  
 with you, but we still  
 had fun! Best Luck  
 next year (as is you'll  
 need it!!) I hope to  
 see more of you  
 next year.

Love

 Class of '63

Sue, we have  
 well, we have  
 something in  
 common our  
 birthdays. Nope  
 we have more  
 in common next  
 year. Hehe Betty

SUE -  
 I HAVE ENJOYED YOU  
 IN SPANISH THIS YEAR  
 ALTHOUGH I DIDN'T KNOW  
 YOU THAT WELL. I HOPE  
 TO SEE YOU MORE NEXT  
 YEAR. LOTS OF LUCK IN  
 THE FUTURE!  
 MIKE  
 PIR.

Susy,

I could never explain how much knowing you this year. I must confess in all honesty that I wasn't sure about you at the beginning of the year, however, I am now. You have to be one of the sweetest, most humble people I know and you wouldn't be you any other way. I only hope we can have tons of classes together next year. At any rate ~~well~~ be sure to see each other this summer. Good luck sounds so trite but it's what I wish to you.

Love

Ter

Sue,  
Hope I see you  
at the CVO activities(?)  
this summer.  
Richard Quinn

Sue, when things get dull &  
unexciting this summer  
I'm sure you can Doug I mean  
dig up some mischief --  
Have fun & be good  
Love Jim, Schaub

Sue,  
It's really  
been fun in  
English this  
year. I think  
you're one of  
the sweetest  
guys I know  
and you're  
always so  
happy and  
you make  
me always  
feel happy  
best of luck  
always and  
I hope that  
we'll see  
classes together  
next year  
Cathy

Good luck in
